

Bartle 2010

Initial Deposit \$40 due Sept 28th.

In Mid-October we will select the dates and campsites for next summer's Bartle Camp. At this meeting we will have to make a deposit of \$40 per person to reserve our selection. This last summer we had a very large number of boys and Dads at Camp. There are few campsites that can accommodate troops of our size. It is very important that we get an accurate count at the time we register.

If you think your son will be interested in attending Bartle Camp with us this summer 2010, please include the \$40 deposit with your dues payment. This is due Sept 28th, 2009. Your help will make for a more comfortable camping experience.

The troop as absorbed fee increases from the Council over the last two summers. We are unable to offer the subsidy this year. The total fee for Bartle in 2010 will be \$315. This covers the council fee of \$275, bus trip, food on Sunday and special T shirt.

Name _____

_____ Will attend Bartle with Troop 118 this summer.

_____ **Will not** attend Bartle this summer.
