

Sloppy Joes

2	lbs.	lean ground beef
2	small	small onions, diced
2	pkgs.	Sloppy Joe seasoning mix

2	6-oz.	cans tomato paste
2	cups	water
2	9-12oz	pkgs. refrigerator biscuits

In a 12" Dutch oven brown ground beef and onions by placing approximately 15 coals on the bottom and 15 on the top. When meat is well browned, add Sloppy Joe seasoning, water and tomato paste. Blend ingredients completely and bring to a boil. Place refrigerator biscuits on top of mixture.

Bake for 15-20 minutes until biscuits are browned. Use approximately 9 coals on the bottom and 10-12 on top (you may need to rotate oven 1/4 turn in one direction and the lid 1/4 turn in the opposite direction to avoid hot spots.)
